STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Goffstown, in the County of Hillsborough, in said State, Qualified to Vote in Town Affairs:

You are hereby notified to meet at the town house in said town on Tuesday, the eighth day of March next, at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers and agents for the ensuing year.
2. To raise and appropriate such sums of money as may be necessary for the support of schools for the maintenance of the poor, for the repair of roads and bridges, and for Memorial Day.
3. To see how much money the town will vote to raise for the support of the library.
4. To see if the town will comply with the provisions of the law for the purpose of procuring state aid for highways.
5. To see what sum of money the town will vote to raise for improvements in cemeteries.
6. To see if the town will vote to discontinue the highway leading from the Shirley Hill road at A. S. Tirrell's to John Murphy's line.
7. To see if the town will vote to change the name of the Rogers Free Library to the Goffstown Public Library.
8. To hear the reports of agents, auditors, and committees, and pass any vote relative thereto.
9. To transact any other business that may legally come before said meeting.

Given under our hand and seal this nineteenth (19th) day
of February, 1910.

REPORT OF THE BOARD OF EDUCATION.

The Board of Education submits the following report:

The year has been a busy one for the Board of Education, as we have been obliged to supply four new teachers. Miss Ford resigned; Miss Smith and Miss Fletcher went to Hinsdale; Miss Lucas, one of the best teachers we ever had in school, felt it to be her duty to teach nearer home, and we were thus left with four teachers to supply. We were fortunate in securing Miss Isabel Venard and Miss Florence Kelly as assistants. These young ladies have the gift of teaching, and we regard them as two as good assistants as we have ever had. We secured Miss Alice Duncklee in the grammar room, and one of our girls, Miss Florence Luscombe, in the fifth and sixth grades. These teachers have all made good, and we feel as if we had as good a teaching staff as we ever had.

The fence around the school building has all gone to pieces, and the chemical room has been condemned by the Superintendent of Public Instruction, and these things must be seen to, otherwise the school is in good shape.

Respectfully,

FRANK BLAISDELL,
Chairman Board of Education.

REPORT OF THE TOWN SCHOOL BOARD.

During the past year your committee has endeavored so far as possible to comply with the vote passed at the last annual school meeting, and there have been kept in most of the districts thirty-four weeks of school. We have endeavored to place in each district those teachers whom we believed would labor for the best interest of their pupils, and we feel that our schools have maintained their former record of good improvement in the several branches pursued.

We wish to thank the parents and taxpayers for the very liberal appropriation voted for school purposes at our last annual meeting. We have endeavored to expend the same judiciously and to the best advantage for the schools.

The treasurer's report will give you the financial standing of the district.

The annual meeting of the town district will be held at the schoolhouse in Grasmere, Saturday, March 5, at two o'clock in the afternoon.

GEORGE PATTEE,
Treasurer.

REPORT OF TRUSTEES OF CEMETERIES.

In presenting this the sixteenth annual report of your trustees for the past year, we suggest some few things that we think ought to be done in the years to come. At a meeting of your trustees early in the season they voted to build two new driveways in the new part, which have been built of crushed rock of three different grades at a cost of about three hundred and twenty-five dollars, and we trust it will give satisfaction. We consider it a great improvement. The fence has been repaired in several places, and in the coming year should receive a coat of paint. The whole yard has been mowed over twice during the year.

The trustees again thank the efficient committee of the Unity Club for carrying forward the good work which the club was the instigator, in keeping the several lots under perpetual care and the several drives and walks well cared for.

We wish some plan could be adopted by the owners of some of the lots not cared for to either fix them up themselves or place them under the care of the trustees. We thank the citizens for the appropriation which they placed in our hands for the care of the cemeteries. We have endeavored to make good use of the same.

REPORT OF BOARD OF HEALTH.

There has been reported to us during the year two cases of scarlet fever, one of pulmonary tuberculosis, one of diphtheria, and one of typhoid fever. These cases were promptly isolated and no further infection resulted. In addition there has been quite an epidemic of measles, thirty-seven cases being reported.

The board desires to call attention to the fact that the time has arrived when a complete system of sewerage should receive the consideration of every citizen interested in the welfare of our village. Should there be a serious epidemic, endangering the lives of the community, we feel that the residents would be justly blamed for seeming negligence in a matter of such vital importance.

The subject of a public dump has been before mentioned, but nothing as yet done about it. This should also receive attention.

One complaint of a sink drain has been reported, which was properly attended to.

During the warm weather, when the water supply is low, there has been more or less comment, but during such times the water has been frequently analyzed and reports have been very satisfactory.

Respectfully submitted,

E. B. SWETT.

H. H. STARK.

A. P. SEETON.

GOFFSTOWN, N. H., October 2, 1909.

REPORT OF TRUSTEES OF GOFFSTOWN FREE LIBRARY.

In making our report we wish to congratulate the citizens of Goffstown on the new library that was erected within the appropriation voted by the town. It is without doubt one of the best in the state, and we trust the voters of the town will see fit to vote a sum sufficient to keep the building open more than we have been able to do during the short time it has been occupied, and we are in hopes some public-spirited person will donate a fund sufficient to keep the fine lamps, donated by the late Mrs. H. H. Hobson, lighted every night in the year, as it would be one of the best methods to advertise the library and village.

The unexpended money in the treasury has been kept for the purchasing of books and for other purposes until the money from the town is available.
